An unannounced on-site investigation was initiated 01/14/2026 at 12:00 p.m.

A sample of 3 residents, including any identified residents, was selected for the investigation based on the concerns relevant to the allegation(s).

The investigation was conducted following standards set by the statutes, rules and regulations of the State of Oklahoma utilizing Investigative Protocols. Evidence was obtained through observations; interviews with residents, family members, staff members and others as indicated; and review of pertinent written and electronic records.

A Summary of Complaint Investigation: Observations of residents' clothing, skin, and fall prevention interventions were made. Observations of skin while staff provided personal care were made. Records of physician orders, laboratory results, resident skin assessments and care plans, incident reports, and center policies were reviewed. Interviews with residents, families, and staff were conducted. Based on observation, record review, and interview, the center was in compliance with regulations.

The attached State form, Statement of Deficiencies, will identify any deficiencies cited.

Thank you for bringing your concerns to our attention.
