Dear Ms. Chapman:

Enclosed is the Residential Care inspection deficiency report form, showing the summary of deficiencies noted during the survey at your facility on **February 1, 2023**.

The deficiencies cited resulted in deficiencies representing the potential for more than minimal harm. Your facility will be given an opportunity to correct deficiencies.

Please note the items listed in the deficiency column of the report. Your plan of correction and anticipated date of completion must be typed in the space provided. If additional space is needed, a supplemental sheet may be attached.

The criteria for an acceptable plan of correction are:

- A statement of exactly how the facility has or intends to correct each deficiency.
- The method of correction. This includes who is responsible for the correction.
- How the corrective action(s) will be monitored to ensure the deficient practice will not recur, i.e., what quality assurance program will be put into place.
- A reasonable date of correction, which will normally be within 30 days of this notice.

NOTE: Please avoid naming individuals, business firms or brand names on the enclosed form since it is a public disclosure form.

Please sign, date and **return the completed form to this office within ten (10) days** of your receipt of this letter. **Failure to submit a Plan of Correction will not delay the subsequent revisit or any other phase of the enforcement process.** Please retain a copy of this completed form for your files.

In the event that we find your Plan of Correction unacceptable, you will be notified of the reason(s) it is not acceptable and we will request another Plan of Correction. If your plan of correction is acceptable, there will be no acknowledgement. We will conduct a revisit in accordance with your

stated correction dates. If you have any questions concerning this letter, please contact me at (405) 426-8200.

In accordance with O.S. 63 830.1, you have one opportunity to dispute citations of deficient practice through an informal dispute resolution (IDR) process. *The IDR in no way is to be construed as a formal evidentiary hearing; it is an informal administrative process to discuss deficiencies.* If you choose to contest a cited deficiency, the facility must complete an IDR Request Form (ODH Form 833-RC). An explanation must be listed for each disputed deficiency. An attachment is acceptable if additional space is required for the dispute explanation. The IDR Coordinator may be contacted at (405) 426-8200 or at the address below to acquire a copy of the ODH Form 833RC and the Oklahoma IDR Process Residential Care Centers.

The IDR request must be submitted within 30 calendar days from receipt of the State Form deficiency statement. Failure to submit a completed IDR Request form and supporting documentation within this timeframe waives your right to the IDR. Failure to complete the IDR timely will not delay the effective date of any enforcement action against the facility. A designee of the Department shall conduct the IDR. The IDR may be accomplished by a desk review or conducted in a face-to-face meeting. The facility shall receive written confirmation of the IDR results.

The facility must submit the completed IDR Request Form and supporting documentation under separate cover to:

IDR Coordinator
Long Term Care
Protective Health Services
Oklahoma State Department of Health
123 Robert S. Kerr Ave, Ste. 1702
Oklahoma City, OK 73102-6406

Facilities may not use the IDR process to delay the formal imposition of remedies or to challenge any other aspect of the survey process, including the:

- Remedy(ies) imposed by the Department,
- Alleged failure of the surveyor to comply with a requirement of the survey process;
- Alleged inconsistency of the surveyor in citing deficiencies among facilities; or
- Alleged inadequacy or inaccuracy of the informal dispute resolution process

If you have any questions regarding the IDR process, please contact the IDR Coordinator via email at IDRCoordinator@health.ok.gov, or telephone at (405) 426-8200.

Sincerely,
