Dear Executive Director Warren:

On April 17, 2025, through May 5, 2025, surveyor(s) for the Health Facilities Commission conducted complaint investigation surveys at your assisted care living facility pursuant to T.C.A. § 68-11-210. Upon exiting the facility on May 5, 2025, the surveyor(s) notified you or your representative of the possibility of the issuance of a Suspension of Admissions and assessment of Civil Monetary Penalties, due to deficient practices in your facility which were, or were likely to be, detrimental to the health, safety, or welfare of the residents. T.C.A. § 68-11-252. Under the Tennessee Health Facilities Commission, the Executive Director suspended the admission of new residents to the facility pursuant to T.C.A. §§ 68-11-252 due to the deficient practices cited above, effective May 16, 2025.

On July 17, 2025, surveyor(s) for the Health Facilities Commission conducted a follow-up survey at your facility to determine if the deficient practices which were, or were likely to be, detrimental to the health, safety, and welfare of the residents had been sufficiently corrected, as stated in the facility's approved Plan of Correction.

Therefore, it is found, based upon the follow-up survey report that the deficient practices detrimental to the health, safety, or welfare of the residents were sufficiently corrected. **On August 12, 2025, the lifting of the Suspension of Admission** of new residents to the facility is ordered pursuant to T.C.A. § 68-11-252(i) as is the release of the special monitor who was appointed pursuant to T.C.A. § 68-11-221 to observe the operation of the facility.

You will be subsequently notified under separate letter of the costs of the monitor for which the facility is liable. No part of such monitoring costs for which the facility is liable is recoverable by the facility, either directly or indirectly, from the medical assistance program administered pursuant to T.C.A. Title 71, Chapter 5, Part 1.

Sincerely,

A handwritten signature in black ink that reads "Logan Grant" followed by a stylized monogram "JG".

Logan Grant
Executive Director
Health Facilities Commission
