MR. MELVIN CORLEW, ADMINISTRATOR
J.B. KNOWLES HOME ASSISTED LIVING
1010 CAMILLA LANE
NASHVILLE, TN 37218

Dear Mr. Corlew:

On March 2 and 3, 2021 surveyor(s) for the Department of Health conducted a complaint survey at your assisted living facility pursuant to T.C.A. § 68-11-210. Upon exiting the facility on March 3, 2021, the surveyor(s) notified you or your representative of the possibility of the issuance of a Suspension of Admissions due to deficient practices and conditions in the facility which were, or were likely to be, detrimental to the health, safety, or welfare of the residents. T.C.A. § 68-11-252.

As Commissioner of the Tennessee Department of Health, I therefore suspended the admission of new residents to the facility pursuant to T.C.A. §§ 68-11-252(a) due to those investigative findings cited above, effective March 13, 2021.

On March 30, 2021, surveyor(s) for the Department of Health conducted a follow-up survey at your facility pursuant to T.C.A. § 68-11-210 to determine if the deficient practices which were, or were likely to be, detrimental to the health, safety, and welfare of the residents had been corrected, as stated in the facility's approved plan of correction. Upon exiting the facility on March 30, 2021, the surveyor(s) determined that those deficient practices have been corrected and the facility has returned to substantial compliance for state licensing purposes.

Therefore, I find, based upon the follow-up survey report that the deficient practices detrimental to the health, safety, or welfare of the residents were corrected and the facility has returned to substantial compliance. I am ordering today April 8, 2021, the lifting of the Suspension of Admission of new residents to the facility pursuant to T.C.A. § 68-11-252 and ordering the release of the special monitor who was appointed pursuant to T.C.A. § 68-11-221 to observe the operation of the facility.

You will be subsequently notified under a separate letter of the costs of the monitor for which the facility is liable. No part of such monitoring costs for which the facility is liable is recoverable by the facility, either directly or indirectly, from the medical assistance program administered pursuant to T.C.A. Title 71, Chapter 5, Part 1.

Sincerely,

A handwritten signature in blue ink, appearing to read "Lisa Piercey".
