RE: MAGDAS LOVING CARE # 299402

Dear Provider:

This document references Compliance Determination 71409 (Completion Date 01/14/2026).

The Department completed a full inspection of your Adult Family Home on 01/14/2026 and found that your home does not meet the Adult Family Home licensing requirements.

The department staff who did the inspection and provided consultation:

Shawn Swanstrom, Licensors

A licenser may consult with a provider when a violation of the Washington Administrative Code (WAC) or Revised Code of Washington (RCW) is found, but it is not cited in the Statement of Deficiencies. Violations may not be cited when it is a first-time violation of statute or rule with minimal or no harm to residents. A consult does not require a follow-up visit.

Consultation:

WAC 388-76-10530 Resident rights Notice of rights and services.

(2) Upon receiving the notice of rights and services at admission and at least every 24 months, the home must ensure the resident and a representative of the home sign and date an acknowledgement stating that the resident has received the notice of rights and services as outlined in this section. The home must retain a signed and dated copy of both the notice of rights and services and the acknowledgement in the resident's

record.

The Adult Family Home (AFH) did not review rights and services for two of two sampled residents [Resident 1(R1) and Resident 2 (R2)] every twenty-four months as required. The AFH sent updated notice of rights and services within twenty-four hours for R1 and R2.

WAC 388-76-10532 Resident rights Department standardized disclosure forms.

(2) The adult family home must complete the disclosure of charges form as provided by the department. The home must:

(c) Keep a copy that has been signed and dated by the resident in the resident's record.

The Adult Family Home (AFH) did not have a copy of the Department's disclosure of charges for Resident 1 and Resident 2's record. The AFH sent copies of the disclosure of charges form signed and dated within 24 hours to the Department.

You Must:

- Begin the process of correcting the deficiency or deficiencies immediately; and
- Complete correction as soon as possible.

You Are Not:

- Required to submit a plan-of-correction for the deficiency or deficiencies found.

The Department May:

- Inspect the home to determine if you have corrected all deficiencies.

You May:

- Ask questions and provide written information to help clarify or dispute the deficiencies.
