RE: SYCAMORE GLEN # 428200

Dear Provider:

This document references Compliance Determination 36074 (Completion Date 02/12/2024).

The Department completed a full inspection of your Adult Family Home on 02/12/2024 and found that your home does not meet the Adult Family Home licensing requirements.

The department staff who did the inspection and provided consultation:

Selena Clemons, NCI-Complaint Investigator

A licensor may consult with a provider when a violation of the Washington Administrative Code (WAC) or Revised Code of Washington (RCW) is found, but it is not cited in the Statement of Deficiencies. Violations may not be cited when it is a first-time violation of statute or rule with minimal or no harm to residents. A consult does not require a follow-up visit.

Consultation:

WAC 388-76-10280 Tuberculosis One test. The adult family home is only required to have a person take one test if the person has any of the following:

(1) A documented history of a negative result from a previous two step test done no more than one to three weeks apart; or

This document was prepared by Residential Care Services for the Locator website.

The adult family home did not ensure a one-step TB test was completed within three days of employment for a staff member with a history of a negative two-step TB test upon hire. The adult family home had the staff member complete an additional TB test when they became aware of the oversight. There was no negative outcome to residents.

You Must:

- Begin the process of correcting the deficiency or deficiencies immediately; and
- Complete correction as soon as possible.

You Are Not:

- Required to submit a plan-of-correction for the deficiency or deficiencies found.

The Department May:

- Inspect the home to determine if you have corrected all deficiencies.

You May:

- Ask for a informal dispute resolution meeting, according to the attached 'Informal Dispute Resolution' instructions; and
- Ask questions and provide written information to help clarify or dispute the deficiencies.
- Contact me for clarification of the deficiency or deficiencies found.

If You Have Any Questions:

- Please contact me at (509)323-7321.

Sincerely,

Tamara Tredo
