RE: THE MOORE THE MERRIER INC # 750038

Dear Provider:

This document references Compliance Determination 48808 (Completion Date 10/21/2024).

The Department completed a full inspection of your Adult Family Home on 10/21/2024 and found that your home does not meet the Adult Family Home licensing requirements.

The department staff who did the inspection and provided consultation:

Emily Vincent, AFH Licenser

A licenser may consult with a provider when a violation of the Washington Administrative Code (WAC) or Revised Code of Washington (RCW) is found, but it is not cited in the Statement of Deficiencies. Violations may not be cited when it is a first-time violation of statute or rule with minimal or no harm to residents. A consult does not require a follow-up visit.

Consultation:

WAC 388-76-10522 Resident rights Notice Policy on accepting medicaid as a payment source. The adult family home must fully disclose the home's policy on accepting medicaid or other public funds as a payment source. The policy must:

(6) Be signed and dated by the resident and kept in the resident record after signature.

This document was prepared by Residential Care Services for the Locator website.

The adult family home (AFH) did not ensure Resident 3 reviewed and signed the home's policy on accepting Medicaid as a payment source before they moved into the AFH. Resident 3 reviewed and signed the policy before the completion of the licensing inspection.

You Must:

- Begin the process of correcting the deficiency or deficiencies immediately; and
- Complete correction as soon as possible.

You Are Not:

- Required to submit a plan-of-correction for the deficiency or deficiencies found.

The Department May:

- Inspect the home to determine if you have corrected all deficiencies.

You May:

- Ask for a informal dispute resolution meeting, according to the attached 'Informal Dispute Resolution' instructions; and
- Ask questions and provide written information to help clarify or dispute the deficiencies.
- Contact me for clarification of the deficiency or deficiencies found.

If You Have Any Questions:

- Please contact me at (253)983-3826.

Sincerely,

Lisa Cramer, Field Manager
