RE: BLESSED HANDS AFH LLC # 750895

Dear Provider:

This document references Compliance Determination 73895 (Completion Date 03/13/2026).

The Department completed a full inspection of your Adult Family Home on 03/13/2026 and found that your home does not meet the Adult Family Home licensing requirements.

The department staff who did the inspection and provided consultation:

Joshua Robison, Community Licenser

A licenser may consult with a provider when a violation of the Washington Administrative Code (WAC) or Revised Code of Washington (RCW) is found, but it is not cited in the Statement of Deficiencies. Violations may not be cited when it is a first-time violation of statute or rule with minimal or no harm to residents. A consult does not require a follow-up visit.

Consultation:

(1) For the purposes of this section "residency agreement" means a legally enforceable written document prepared by the adult family home that contains the rights and responsibilities of the facility and the resident specific to transfer and discharge and is signed by both parties.

(2) For residents with medicaid as a payor the facility must complete a signed written residency agreement with each resident that:

(a) Is signed by the resident or their legal representative and the facility upon admission of the resident to the facility;

(b) Requires the facility to agree to comply with the long-term care residents rights statute transfer and discharge requirements pursuant to RCW 70.129; and

(c) Requires the facility to provide notice to residents before transfer and discharge that includes information about available legal resources and notice that, subject to legislative appropriation, residents have the right to legal counsel at public expense upon notice of transfer or discharge.

(3) For residents whose payor status changes from medicaid to private pay, a new residency agreement is required if the resident's payor status returns to medicaid.

(4) A copy of the residency agreement that is signed and dated by both parties must be:

(a) Kept in the resident record; and

(b) Provided to the resident or their representative.

(5) The residency agreement must be in substantially the following form: Residency agreement residents with medicaid as a payor.

(a) [facility name] agrees to comply with the long-term care residents rights statute transfer and discharge requirements pursuant to RCW 70.129.

(b) Subject to legislative appropriation [resident name] has a right to a free lawyer to help them in response to a notice of transfer or discharge. If they want a free lawyer to help them, they must call the long-term care discharge defense screening line at [phone number].

(c) [Signature of resident/legal representative and date].

(d) [Signature of facility and date].

WAC 388-76-10506 Written residency agreement—Residents with medicaid as a payor.

The Adult Family Home did not ensure each resident had a written residency agreement. Residency agreements were obtained. This deficiency was corrected.

You Must:

- Begin the process of correcting the deficiency or deficiencies immediately; and
- Complete correction as soon as possible.

You Are Not:

- Required to submit a plan-of-correction for the deficiency or deficiencies found.

The Department May:

- Inspect the home to determine if you have corrected all deficiencies.

You May:

- Ask for a informal dispute resolution meeting, according to the attached 'Informal Dispute Resolution' instructions; and
- Ask questions and provide written information to help clarify or dispute the deficiencies.
- Contact me for clarification of the deficiency or deficiencies found.

If You Have Any Questions:

- Please contact me at (509)598-0182.
