RE: GENAS BEST CARE INC License # 751920

Dear Provider:

This letter addresses Compliance Determination(s) 52047 (Completion Date 12/19/2024) and 50432 (Completion Date 11/21/2024).

The Department completed a follow-up inspection of your Adult Family Home on 12/19/2024 and found that you have corrected the violations listed in the Full report dated 11/21/2024. Your home is back in compliance as of 11/19/2024 with the cited requirements of the Washington Administrative Code or the Revised Code of Washington or both.

The Department found that deficiencies for the following licensing laws and regulations were corrected:
WAC 388-76-10650-1, WAC 388-76-10650-2-a, WAC 388-76-10650-2-c, WAC 388-76-10650-2-d

The Department staff who did the on-site verification:
Jimmie Jordan, NCI

If you have any questions, please contact me at (253)341-7376.

Sincerely,

Alfredo Brown

WAC 388-76-10650 Medical devices.

(1) The adult family home must not use a medical device with a known safety risk as a restraint or for staff convenience.

(2) Before a medical device with a known safety risk is used by a resident, the home must:

(a) Ensure an assessment has been completed that identifies the resident's need and ability to safely use the medical device;

(c) Ensure the resident's negotiated care plan includes how the resident will use the medical device; and

(d) Ensure the medical device is properly installed.

This requirement was not met as evidenced by:

Based on observation, interview and record review, the Adult Family Home (AFH) failed to have an assessment in place for [redacted] that identified the resident's need for and ability to use a medical device with a known safety risk, instructions on how to properly install the [redacted] and documentation on the Negotiated Care Plan (NCP) on how [redacted] would be used for 2 of 6 residents (Residents 4 and 5). This failure placed Resident 4 and 5 at risk for injury from improper use of the medical device.

Findings included...

NOTE: Washington (WA) State Department of Social and Health Services "May 15, 20213 AFH 'Dear Provider' Letters," was issued to AFH providers related to the safety risks associated with the use of all medical devices, including [redacted]. The letter stated, "Potential risks of medical devices may include strangling, suffocating, bodily injury, skin bruising, cuts, scrapes, agitation, feeling isolated or unnecessarily restricted."

Note: Washington (WA) State Department of Social and Health Services "Dear Provider" letter dated 10/12/2016 titled "Medical Device Requirements" stated, "the resident's negotiated care plan must also include how the resident will use the device." The provider letter added, "in addition to the resident assessment identifying the resident's need for the medical device, the resident must also be assessed for the ability to safely use the device."
