RE: RABETH ADULT FAMILY HOME LLC # 752568

Dear Provider:

This document references Compliance Determination 58607 (Completion Date 05/07/2025).

The Department completed a full inspection of your Adult Family Home on 05/07/2025 and found that your home does not meet the Adult Family Home licensing requirements.

The department staff who did the inspection and provided consultation:

Angelica Rios, ALF Licensors

A licenser may consult with a provider when a violation of the Washington Administrative Code (WAC) or Revised Code of Washington (RCW) is found, but it is not cited in the Statement of Deficiencies. Violations may not be cited when it is a first-time violation of statute or rule with minimal or no harm to residents. A consult does not require a follow-up visit.

Consultation:

WAC 388-76-10355 Negotiated care plan. The adult family home must use the resident assessment and preliminary care plan to develop a written negotiated care plan. The home must ensure each resident's negotiated care plan includes:

(7) If needed, a plan to:

(a) Follow in case of a foreseeable crisis due to a resident's assessed needs;

The Adult Family Home (AFH) failed to ensure 1 of 2 sampled residents (Resident 3) had a crisis plan in their Negotiated Care Plan (NCP) dated 10/19/2024, to address Resident 3's mental health needs in the event of a crisis. The AFH provider created a crisis plan for Resident 3 during the inspection.

You Must:

- Begin the process of correcting the deficiency or deficiencies immediately; and
- Complete correction as soon as possible.

You Are Not:

- Required to submit a plan-of-correction for the deficiency or deficiencies found.

The Department May:

- Inspect the home to determine if you have corrected all deficiencies.

You May:

- Ask for a informal dispute resolution meeting, according to the attached 'Informal Dispute Resolution' instructions; and
- Ask questions and provide written information to help clarify or dispute the deficiencies.
- Contact me for clarification of the deficiency or deficiencies found.

If You Have Any Questions:

- Please contact me at (253)234-6007.

Sincerely,

Lydia Owusu-Acheampong, Community Field Manager
Region 2, Unit G
