RE: AVONDALE HEIGHTS AFH # 752640

Dear Provider:

This document references Compliance Determination 54678 (Completion Date 02/21/2025).

The Department completed a full inspection of your Adult Family Home on 02/21/2025 and found that your home does not meet the Adult Family Home licensing requirements.

The department staff who did the inspection and provided consultation:

Jimmie Jordan, NCI

A licensor may consult with a provider when a violation of the Washington Administrative Code (WAC) or Revised Code of Washington (RCW) is found, but it is not cited in the Statement of Deficiencies. Violations may not be cited when it is a first-time violation of statute or rule with minimal or no harm to residents. A consult does not require a follow-up visit.

Consultation:

WAC 388-76-10225 Reporting requirement.

(2) When there is a significant change in a resident's condition, or a serious injury, trauma, or death of a resident, the adult family home must immediately notify:

(f) The resident's case manager if the resident is a department client.

The Adult Family Home failed to notify the Department Case Manager when Resident 1 developed recurring skin breakdown to the left buttocks area. This failure resulted in Resident 1's assessment not being updated to reflect the significant change in Resident 1's condition. Staff A notified the Department Case Manager during the inspection, and Resident 1's assessment was updated 02/12/2025. This deficiency was corrected on-site at the time of visit.

You Must:

- Begin the process of correcting the deficiency or deficiencies immediately; and
- Complete correction as soon as possible.

You Are Not:

- Required to submit a plan-of-correction for the deficiency or deficiencies found.

The Department May:

- Inspect the home to determine if you have corrected all deficiencies.

You May:

- Ask for a informal dispute resolution meeting, according to the attached 'Informal Dispute Resolution' instructions; and
- Ask questions and provide written information to help clarify or dispute the deficiencies.
- Contact me for clarification of the deficiency or deficiencies found.

If You Have Any Questions:

- Please contact me at (253)341-7376.

Sincerely,

Alfredo Brown
