RE: Heavenly Acres AFH, Inc # 752715

Dear Provider:

This document references Compliance Determination 33034 (Completion Date 12/29/2023).

The Department completed a full inspection of your Adult Family Home on 12/29/2023 and found that your home does not meet the Adult Family Home licensing requirements.

The department staff who did the inspection and provided consultation:

Andria Underwood, LTC Surveyor

A licensor may consult with a provider when a violation of the Washington Administrative Code (WAC) or Revised Code of Washington (RCW) is found, but it is not cited in the Statement of Deficiencies. Violations may not be cited when it is a first-time violation of statute or rule with minimal or no harm to residents. A consult does not require a follow-up visit.

Consultation:

WAC 388-76-10430 Medication system.

(1) If the adult family home admits residents who need medication assistance or medication administration services by a legally authorized person, the home must have systems in place to ensure the services provided meet the medication needs of each resident and meet all laws and rules relating to medications.

The Adult Family Home failed to have all prescribed medications for 1 of 6 residents (Resident 5) on site. During Resident 5's medication review it was found that Resident 5's prescribed nicotine gum was not present in medication supply. Caregiver 1 said they had not refilled because Resident 5 never uses it but would immediately. Caregiver 1 had nicotine gum on site within 24 hours of inspection, consultation provided.

You Must:

- Begin the process of correcting the deficiency or deficiencies immediately; and
- Complete correction as soon as possible.

You Are Not:

- Required to submit a plan-of-correction for the deficiency or deficiencies found.

The Department May:

- Inspect the home to determine if you have corrected all deficiencies.

You May:

- Ask for a informal dispute resolution meeting, according to the attached 'Informal Dispute Resolution' instructions; and
- Ask questions and provide written information to help clarify or dispute the deficiencies.
- Contact me for clarification of the deficiency or deficiencies found.

If You Have Any Questions:

- Please contact me at (360)664-8421.

Sincerely,

Jennifer LeMaster, Field Manager
