RE: Best Loving Care II # 753231

Dear Provider:

This document references Compliance Determination 51320 (Completion Date 12/06/2024).

The Department completed a full inspection of your Adult Family Home on 12/06/2024 and found that your home does not meet the Adult Family Home licensing requirements.

The department staff who did the inspection and provided consultation:

Liza Flowers, AFH Licenser

A licenser may consult with a provider when a violation of the Washington Administrative Code (WAC) or Revised Code of Washington (RCW) is found, but it is not cited in the Statement of Deficiencies. Violations may not be cited when it is a first-time violation of statute or rule with minimal or no harm to residents. A consult does not require a follow-up visit.

Consultation:

WAC 388-76-10810 Fire extinguishers.

(2) The home must ensure fire extinguishers are:

(a) Mounted or securely fastened in a stationary position at a minimum of four inches from the floor and a maximum of sixty inches from the floor;

During the environmental tour on 12/05/2024 at 11:30 AM, the portable fire extinguisher in the upper level of the home was on the floor and not mounted or securely fastened on the wall. The Adult Family Home immediately mounted it on the wall securely.

WAC 388-76-10201 Succession plan.

(1) The adult family home must have a written plan addressing how they will continue to meet the requirements of this chapter and provide care and services to residents in the event that the provider or entity representative is unable to fulfill their duties in the home and make it available upon request of the department.

Review of the Adult Family Home (AFH) records on 12/05/2024, showed they did not have a written plan (succession plan) that outlines how the home would continue to provide care and services to 4 current residents and future residents in an event that Staff A, Entity Representative, was unable to fulfill their duties. Staff A immediately wrote the AFH succession plan to correct the issue on 12/05/2024.

You Must:

- Begin the process of correcting the deficiency or deficiencies immediately; and
- Complete correction as soon as possible.

You Are Not:

- Required to submit a plan-of-correction for the deficiency or deficiencies found.

The Department May:

- Inspect the home to determine if you have corrected all deficiencies.

- Ask questions and provide written information to help clarify or dispute the deficiencies.
- Contact me for clarification of the deficiency or deficiencies found.
