RE: Aspire Care Adult Family Home LLC # 756349

Dear Provider:

This document references Compliance Determination 54955 (Completion Date 03/03/2025).

The Department completed a full inspection of your Adult Family Home on 03/03/2025 and found that your home does not meet the Adult Family Home licensing requirements.

The department staff who did the inspection and provided consultation:

Andria Underwood, LTC Surveyor

A licensor may consult with a provider when a violation of the Washington Administrative Code (WAC) or Revised Code of Washington (RCW) is found, but it is not cited in the Statement of Deficiencies. Violations may not be cited when it is a first-time violation of statute or rule with minimal or no harm to residents. A consult does not require a follow-up visit.

Consultation:

WAC 388-76-10475 Medication Log. The adult family home must:

(1) Keep an up-to-date daily medication log for each resident except for residents assessed as medication independent with self-administration.

This document was prepared by Residential Care Services for the Locator website.

The Adult Family Home failed to keep an up to date medication log for 1 of 5 residents (Resident 3). Resident 3 was missing one as needed mental health medication from supply that was on medication log as a current prescribed medication. Provider called pharmacy to see why this medication wasn't delivered and discovered medication was discontinued. Provider removed this mental health medication from medication log and provided discontinue order to Department within 24 hours of inspection, consultation provided.

You Must:

- Begin the process of correcting the deficiency or deficiencies immediately; and
- Complete correction as soon as possible.

You Are Not:

- Required to submit a plan-of-correction for the deficiency or deficiencies found.

The Department May:

- Inspect the home to determine if you have corrected all deficiencies.

You May:

- Ask for a informal dispute resolution meeting, according to the attached 'Informal Dispute Resolution' instructions; and
- Ask questions and provide written information to help clarify or dispute the deficiencies.
- Contact me for clarification of the deficiency or deficiencies found.

If You Have Any Questions:

- Please contact me at (360)664-8421.

Sincerely,

Jennifer LeMaster
