Dear Provider:

This document references Compliance Determination 35070 (Completion Date 01/11/2024).

The department staff who did the inspection and provided consultation:

Violations may not be cited when it is a first-time violation of statute or rule with minimal or no harm to residents. A consult does not require a follow-up visit.

You Must:

- Required to submit a plan-of-correction for the deficiency or deficiencies found.

The Department May:

- Inspect the home to determine if you have corrected all deficiencies.

- Ask questions and provide written information to help clarify or dispute the deficiencies.
