RE: Vista Lane Adult Family Home # 754928

Dear Provider:

This document references Compliance Determination 75226 (Completion Date 04/28/2026).

The Department completed a full inspection of your Adult Family Home on 04/28/2026 and found that your home does not meet the Adult Family Home licensing requirements.

The department staff who did the inspection and provided consultation:

Colleen Arthur, AFH Nurse Licenser

A licenser may consult with a provider when a violation of the Washington Administrative Code (WAC) or Revised Code of Washington (RCW) is found, but it is not cited in the Statement of Deficiencies. Violations may not be cited when it is a first-time violation of statute or rule with minimal or no harm to residents. A consult does not require a follow-up visit.

Consultation:

WAC 388-76-10810 Fire extinguishers.

- (2) The home must ensure fire extinguishers are:
 - (b) Inspected and serviced annually;

Deficiency was corrected during onsite inspection. Fire Extinguishers were tagged as last serviced in June 2024. Provider stated they were serviced by a company in 2025, however that company did not replace tags due to an unpaid invoice. Provider contacted the company who stated they would come back out since invoice was paid. Extinguishers were re-serviced and re-tagged day of onsite (04/01/2026).

You Must:

- Begin the process of correcting the deficiency or deficiencies immediately; and
- Complete correction as soon as possible.

You Are Not:

- Required to submit a plan-of-correction for the deficiency or deficiencies found.

The Department May:

- Inspect the home to determine if you have corrected all deficiencies.

You May:

- Ask for a informal dispute resolution meeting, according to the attached 'Informal Dispute Resolution' instructions; and
- Ask questions and provide written information to help clarify or dispute the deficiencies.
- Contact me for clarification of the deficiency or deficiencies found.

If You Have Any Questions:

- Please contact me at (360)664-8421.

Sincerely,

Jennifer LeMaster, Community Nurse Field Manager
