RE: Forget Me Not Adult Family Home LLC # 754992

Dear Provider:

This document references Compliance Determination 55277 (Completion Date 03/18/2025).

The Department completed a full inspection of your Adult Family Home on 03/18/2025 and found that your home does not meet the Adult Family Home licensing requirements.

The department staff who did the inspection and provided consultation:

Colleen Arthur, AFH Nurse Licenser

A licenser may consult with a provider when a violation of the Washington Administrative Code (WAC) or Revised Code of Washington (RCW) is found, but it is not cited in the Statement of Deficiencies. Violations may not be cited when it is a first-time violation of statute or rule with minimal or no harm to residents. A consult does not require a follow-up visit.

Consultation:

WAC 388-76-10350 Assessment Updates required.

(2) The adult family home must ensure each resident's assessment is reviewed and updated to document the resident's ongoing needs and preferences as follows:

(d) At least every 12 months.

Deficiency was corrected prior to exit. Assessment review and update was greater than 12 months for Resident 3. Assessment was completed for Resident 3 day of inspection.

You Must:

- Begin the process of correcting the deficiency or deficiencies immediately; and
- Complete correction as soon as possible.

You Are Not:

- Required to submit a plan-of-correction for the deficiency or deficiencies found.

The Department May:

- Inspect the home to determine if you have corrected all deficiencies.

You May:

- Ask for a informal dispute resolution meeting, according to the attached 'Informal Dispute Resolution' instructions; and
- Ask questions and provide written information to help clarify or dispute the deficiencies.
- Contact me for clarification of the deficiency or deficiencies found.

If You Have Any Questions:

- Please contact me at (360)664-8421.

Sincerely,

Jennifer LeMaster
