RE: Ridgemont AFH LLC # 755127

Dear Provider:

This document references Compliance Determination 27210 (Completion Date 08/08/2023).

The Department completed a full inspection of your Adult Family Home on 08/08/2023 and found that your home does not meet the Adult Family Home licensing requirements.

The department staff who did the inspection and provided consultation:

Emily Vincent, AFH Licenser

A licenser may consult with a provider when a violation of the Washington Administrative Code (WAC) or Revised Code of Washington (RCW) is found, but it is not cited in the Statement of Deficiencies. Violations may not be cited when it is a first-time violation of statute or rule with minimal or no harm to residents. A consult does not require a follow-up visit.

Consultation:

WAC 388-76-10176 Background checks Employment Provisional hire Pending results of national fingerprint background check. The adult family home may provisionally employ individuals hired after January 7, 2012 and listed in WAC 388-76-10161 for one hundred twenty-days and allow those individuals to have unsupervised access to residents when:

(2) The results of the national fingerprint background check are pending.

The adult family home (AFH) did not ensure Caregiver A's national fingerprint (NFP) background check result was obtained within 120 days of employment while Caregiver A had unsupervised access to vulnerable adults. Caregiver A's NFP background check result was completed within 124 days of employment.

You Must:

- Begin the process of correcting the deficiency or deficiencies immediately; and
- Complete correction as soon as possible.

You Are Not:

- Required to submit a plan-of-correction for the deficiency or deficiencies found.

The Department May:

- Inspect the home to determine if you have corrected all deficiencies.

You May:

- Ask for a informal dispute resolution meeting, according to the attached 'Informal Dispute Resolution' instructions; and
- Ask questions and provide written information to help clarify or dispute the deficiencies.
- Contact me for clarification of the deficiency or deficiencies found.

If You Have Any Questions:

- Please contact me at (253)983-3826.
