RE: Absolute Care Adult Family Home LLC 2 # 755214

Dear Provider:

This document references Compliance Determination 65187 (Completion Date 09/05/2025).

The Department completed a full inspection of your Adult Family Home on 09/05/2025 and found that your home does not meet the Adult Family Home licensing requirements.

The department staff who did the inspection and provided consultation:

Farrah Sirous, Long Term Care Surveyor

A licensor may consult with a provider when a violation of the Washington Administrative Code (WAC) or Revised Code of Washington (RCW) is found, but it is not cited in the Statement of Deficiencies. Violations may not be cited when it is a first-time violation of statute or rule with minimal or no harm to residents. A consult does not require a follow-up visit.

Consultation:

WAC 388-76-10490 Medication disposal Written policy Required.

(2) The adult family home must develop and implement a written policy addressing the safe disposal of resident medications that have been discontinued, have expired, or were refused by the resident. The policy must:

(b) Address the safe disposal of medications for current residents, deceased residents,

and residents who have discharged from the facility; and

(i) For current residents the facility must safely dispose of discontinued medications, expired medications, and refused medications within 30 calendar days of discontinuation, expiration, or resident refusal;

The Adult Family Home (AFH) failed to follow their medication disposal policy to dispose of expired medications. An expired medication was kept with current medication for 1 of 2 sampled residents (Resident 2). This deficiency was corrected during the visit by Staff A, Entity Representative. Staff A moved the expired medication to the locked disposal bin.

You Must:

- Begin the process of correcting the deficiency or deficiencies immediately; and
- Complete correction as soon as possible.

You Are Not:

- Required to submit a plan-of-correction for the deficiency or deficiencies found.

The Department May:

- Inspect the home to determine if you have corrected all deficiencies.

You May:

- Ask for a informal dispute resolution meeting, according to the attached 'Informal Dispute Resolution' instructions; and
- Ask questions and provide written information to help clarify or dispute the deficiencies.
- Contact me for clarification of the deficiency or deficiencies found.

If You Have Any Questions:

- Please contact me at (206)914-5042.

Sincerely,

Renee Bourque

Provider Process for Choosing a Panel or Traditional IDR:
