RE: Blue Goose Care Center 3, LLC # 755912

Dear Provider:

This document references Compliance Determination 48860 (Completion Date 10/28/2024).

The Department completed a full inspection of your Adult Family Home on 10/28/2024 and found that your home does not meet the Adult Family Home licensing requirements.

The department staff who did the inspection and provided consultation:

Melanie Hopkins, NHI-AFH Licensors

A licenser may consult with a provider when a violation of the Washington Administrative Code (WAC) or Revised Code of Washington (RCW) is found, but it is not cited in the Statement of Deficiencies. Violations may not be cited when it is a first-time violation of statute or rule with minimal or no harm to residents. A consult does not require a follow-up visit.

Consultation:

WAC 388-76-10198 Adult family home Personnel records. The adult family home must keep documents related to staff in a place readily accessible to authorized department staff. These documents must be available during the staff's employment, and for at least two years following employment. The documents must include but are not limited to:

(1) Staff information such as address and contact information.

This document was prepared by Residential Care Services for the Locator website.

(2) Staff orientation and training records pertinent to duties, including, but not limited to:

(a) Training required by chapter 388-112A WAC, including as appropriate for each staff person, orientation, basic training or modified basic training, specialty training, nurse delegation core training, and continuing education;

(b) Cardiopulmonary resuscitation;

(c) First aid; and

(d) HIV/AIDS training.

(3) Tuberculosis testing results.

(4) Criminal history disclosure and background check results as required.

The Adult Family Home (AFH) failed to have staff records available upon request to department staff at the inspection visit including hire dates and orientation, background checks, fingerprints, tuberculosis screenings, CPR/First aid and Basic Training certificates, and continuing education. The AFH produced the records at the time of a second visit for inspection of the home. There was no negative outcome to the residents.

You Must:
