IMPOSITION OF CONDITIONS ON A LICENSE

Dear Licensee:

On November 17, 2025, the Department of Social and Health Services (DSHS), Residential Care Services completed a follow up visit at your facility. This letter is formal notice of the imposition of conditions on the license for your adult family home, located at **13005 State Route 162 East, Orting**, by the State of Washington, Department of Social and Health Services, pursuant to the Revised Code of Washington (RCW) 70.128.160 and Washington Administrative Code (WAC) 388-76-10940.

The imposed conditions on the license are based on the following violation of the RCW and/or WAC determined by the department in your adult family home and described in the attached Statement of Deficiencies (SOD) report dated **November 17, 2025**.

Conditions on License

WAC 388-76-10430 (1)(2)(c)(3) Medication system.

The licensee failed to keep an accurate medication log for four residents. This failure placed all residents at risk of harm from medication errors.

This is an uncorrected deficiency previously cited on April 3, 2025, December 19, 2024, October 28, 2024, and September 6, 2024.

NOTE: This is the violation, which resulted in the conditions on the license; see the attached Statement of Deficiencies for any additional violations.

The department has determined that the following conditions shall be placed on your adult family home license:

- *The Adult Family Home (AFH) Provider, at their own expense, must hire a Registered Nurse Consultant (RNC), not currently or previously affiliated with the AFH, and familiar with AFH regulations by, December 8, 2025, to assist in the development and implementation of a standard medication system.*
- *The RNC must assist the AFH Provider in reviewing current medication practices and developing a standard medication system to ensure:*
 - *Residents receive all medications as required.*
 - *Medications are only prepared at the time of administration.*
 - *Medication logs include all prescribed medications and are kept up to date.*
 - *Medication logs accurately reflect which staff person administered medications.*
- *The AFH Provider must provide the RNC with a copy of the Statement of Deficiencies dated November 17, 2025.*
- *The AFH provider must provide the name and contact information of the RNC to the Department Field Manager upon hire.*
- *The RNC must submit written documentation of staff training regarding standard medication administration practices to Department by Monday, January 5, 2025.*
- *The AFH provider must post this Notice of Conditions, with the license, in a visible location in a common use area of the AFH, accessible to residents and visitors.*

The effective date of the conditions on your license was **verbally** imposed on **November 25, 2025**, and remains in effect until lifted by formal Department of Social and Health Services notice. As provided in RCW 70.128.160(b), WAC 388-76-10990(6), the effective date of the conditions on your license will not be postponed pending an administrative hearing or informal dispute resolution review.

Attestation (Plan of Correction):

Return the enclosed SOD within 10 calendar days with the following:

NOTICE: State and federal law provide protections to defendants who are in military service, and to their dependents. Dependents of a service member are the service member's spouse, the service member's minor child, or and individual for whom the service member provided more than one-half of the individual's support for one hundred eight days immediately preceding an application for relief.

One protection provided is the protection against the entry of a default judgment in certain circumstances. This notice pertains only to a defendant who is a dependent of a member of the National Guard or a military reserve component under a call to active service, or a National Guard member under a call to service authorized by the governor of the state of Washington, for a period of more than thirty consecutive days. Other defendants in military service also have protections against default judgments not covered by this notice. If you are the dependent of a member of the national guard or a military reserve component under a call to active service, or a national guard member under a call to service authorized by the governor of the state of Washington, for a period of more than thirty consecutive days, you should notify the Department in writing of your status as such within twenty days of the receipt of this notice. If you fail to do so, then a court or an administrative tribunal may presume that you are not a dependent of an active duty member of the national guard or reserves, or a national guard member under a call to service authorized by the governor of the state of Washington, and proceed with the entry of an order of default and/or a default judgment without further proof of your status. Your response to the Department about your status does not constitute an appearance for jurisdictional purposes in any pending litigation nor a waiver of your rights.

If you have any questions, please contact Jennifer LeMaster, Field Manager, at (360) 746-4675.

Sincerely,
