RE: Fieldstone Adult Family Home Yakima # 756546

Dear Provider:

This document references Compliance Determination 77773 (Completion Date 05/20/2026).

The Department completed a full inspection of your Adult Family Home on 05/20/2026 and found that your home does not meet the Adult Family Home licensing requirements.

The department staff who did the inspection and provided consultation:

Lisa Beason, AFH Licenser

A licenser may consult with a provider when a violation of the Washington Administrative Code (WAC) or Revised Code of Washington (RCW) is found, but it is not cited in the Statement of Deficiencies. Violations may not be cited when it is a first-time violation of statute or rule with minimal or no harm to residents. A consult does not require a follow-up visit.

Consultation:

WAC 388-76-10463 Medication Psychopharmacologic. For residents who are given psychopharmacologic medications, the adult family home must ensure:

(3) The resident's negotiated care plan includes strategies and modifications of the environment and staff behavior to address the symptoms for which the medication is prescribed;

The Adult Family Home failed to include non-medication strategies to address symptoms in which a psychopharmacologic medication was prescribed. This deficiency was corrected.

You Must:

- Begin the process of correcting the deficiency or deficiencies immediately; and
- Complete correction as soon as possible.

You Are Not:

- Required to submit a plan-of-correction for the deficiency or deficiencies found.

The Department May:

- Inspect the home to determine if you have corrected all deficiencies.

You May:

- Ask for a informal dispute resolution meeting, according to the attached 'Informal Dispute Resolution' instructions; and
- Ask questions and provide written information to help clarify or dispute the deficiencies.
- Contact me for clarification of the deficiency or deficiencies found.

If You Have Any Questions:

- Please contact me at (509)572-7394.

Sincerely,

Michelle Ann Yarbrough
