RE: Cloverstone Adult Family Home LLC # 756865

Dear Provider:

This document references Compliance Determination 61543 (Completion Date 07/02/2025).

The Department completed a full inspection of your Adult Family Home on 07/02/2025 and found that your home does not meet the Adult Family Home licensing requirements.

The department staff who did the inspection and provided consultation:

Scott Sorensen, AFH Licenser

A licenser may consult with a provider when a violation of the Washington Administrative Code (WAC) or Revised Code of Washington (RCW) is found, but it is not cited in the Statement of Deficiencies. Violations may not be cited when it is a first-time violation of statute or rule with minimal or no harm to residents. A consult does not require a follow-up visit.

Consultation:

WAC 388-76-10310 Tuberculosis Test records. The adult family home must:

(1) Keep the records of tuberculin test results, reports of X-ray findings, and any physician or public health provider orders in the adult family home;

This document was prepared by Residential Care Services for the Locator website.

The Adult Family Home failed to keep and maintain the tuberculin test record in the home for one of the Providers. This deficiency was corrected.

You Must:

- Begin the process of correcting the deficiency or deficiencies immediately; and
- Complete correction as soon as possible.

You Are Not:

- Required to submit a plan-of-correction for the deficiency or deficiencies found.

The Department May:

- Inspect the home to determine if you have corrected all deficiencies.

You May:

- Ask for a informal dispute resolution meeting, according to the attached 'Informal Dispute Resolution' instructions; and
- Ask questions and provide written information to help clarify or dispute the deficiencies.
- Contact me for clarification of the deficiency or deficiencies found.

If You Have Any Questions:

- Please contact me at (509)598-0182.

Sincerely,

Selena Clemons
