RE: EDMONDS MANOR # 756996

Dear Provider:

This document references Compliance Determination 73600 (Completion Date 03/02/2026).

The Department completed a full inspection of your Adult Family Home on 03/02/2026 and found that your home does not meet the Adult Family Home licensing requirements.

The department staff who did the inspection and provided consultation:

Farrah Sirous, Long Term Care Surveyor

A licensor may consult with a provider when a violation of the Washington Administrative Code (WAC) or Revised Code of Washington (RCW) is found, but it is not cited in the Statement of Deficiencies. Violations may not be cited when it is a first-time violation of statute or rule with minimal or no harm to residents. A consult does not require a follow-up visit.

Consultation:

WAC 388-76-10750 Safety and maintenance. The adult family home must:

(6) Ensure hot water temperature is at least one hundred five degrees and does not exceed one hundred twenty degrees Fahrenheit at all fixtures used by or accessible to residents, such as:

(c) Sinks;

This document was prepared by Residential Care Services for the Locator website.

The Adult family Home (AFH) failed to ensure a bathroom sink hot water temperature did not exceed one hundred twenty degrees Fahrenheit. AFH staff adjusted the water heater to lower the sink water temperature to one hundred sixteen point nine degrees Fahrenheit. This deficiency was corrected during the visit.

You Must:

- Begin the process of correcting the deficiency or deficiencies immediately; and
- Complete correction as soon as possible.

You Are Not:

- Required to submit a plan-of-correction for the deficiency or deficiencies found.

The Department May:

- Inspect the home to determine if you have corrected all deficiencies.

You May:

- Ask for a informal dispute resolution meeting, according to the attached 'Informal Dispute Resolution' instructions; and
- Ask questions and provide written information to help clarify or dispute the deficiencies.
- Contact me for clarification of the deficiency or deficiencies found.

If You Have Any Questions:

- Please contact me at (206)348-9350.

Sincerely,

Nichollette Flynn on behalf of Renee' Bourque
