RE: BRIDGEPORT ADULT FAMILY HOME LLC # 757207

Dear Provider:

This document references Compliance Determination 57434 (Completion Date 04/03/2025).

The Department completed a full inspection of your Adult Family Home on 04/03/2025 and found that your home does not meet the Adult Family Home licensing requirements.

The department staff who did the inspection and provided consultation:

Lindsay Trent, Adult Family Home Licensors

A licenser may consult with a provider when a violation of the Washington Administrative Code (WAC) or Revised Code of Washington (RCW) is found, but it is not cited in the Statement of Deficiencies. Violations may not be cited when it is a first-time violation of statute or rule with minimal or no harm to residents. A consult does not require a follow-up visit.

Consultation:

WAC 388-76-10430 Medication system.

(1) If the adult family home admits residents who need medication assistance or medication administration services by a legally authorized person, the home must have systems in place to ensure the services provided meet the medication needs of each resident and meet all laws and rules relating to medications.

On 04/01/2025, review of Resident 2's March 2025 Medication Administration Record showed an order for Albuterol Sulfate inhaler (a medication used to treat symptoms of asthma), as needed for wheezing/shortness of breath. On 04/01/2025 at 12:55PM, observations showed Resident 2's Albuterol inhaler was not available for administration. During a telephone interview on 04/01/2025 at 2:00PM, Resident 2 stated they had not had any symptoms of asthma and had not used or needed to use the inhaler for many years. They said they would discuss this with their doctor. The Provider immediately called the pharmacy, and the medication was delivered to the Adult Family Home prior to the completion of the inspection to correct the deficiency.

You Must:

- Begin the process of correcting the deficiency or deficiencies immediately; and
- Complete correction as soon as possible.

You Are Not:

- Required to submit a plan-of-correction for the deficiency or deficiencies found.

The Department May:

- Inspect the home to determine if you have corrected all deficiencies.

You May:

- Ask for a informal dispute resolution meeting, according to the attached 'Informal Dispute Resolution' instructions; and
- Ask questions and provide written information to help clarify or dispute the deficiencies.
- Contact me for clarification of the deficiency or deficiencies found.

If You Have Any Questions:

- Please contact me at (253)983-3826.

Sincerely,

Lisa Cramer, Adult Family Home Field Manager
