On July 18, 2024, DSFM Christian entered El Dorado West Retirement Community in regard to a complaint about alleged emergency fire door being propped open. The complaint also had concerns about items in closets with 18 inches of the ceiling.

The emergency exit door was closed upon arrival. Staff stated it was one person in particular who was doing it. The individual happened to be walking by us at the time so we educated him on propping doors and let him know it was not allowed. Upon inspection of the storage closets there was no high pile storage in the closets.

No violations observed.

Right of appeal. Any person may appeal any decision made by the Fire Protection Bureau in accordance with WAC 212-12.
