IMPOSITION OF CIVIL FINE

Dear Administrator:

On May 23, 2025, the Department of Social and Health Services (DSHS), Residential Care Services completed a Full Inspection at your facility. This letter constitutes formal notice of a civil fine on the license for your assisted living facility, also known as **OVENELL HOME ALF INC**, located at **625 E Washington Ave, Burlington**, by the State of Washington, Department of Social and Health Services. These actions are taken under the authority granted pursuant to Laws of 1998, Chapter 272 and RCW 18.20.190.

The civil fine on the license is based on the following violation of the RCW and/or WAC as described in the attached Statement of Deficiencies (SOD) report dated May 23, 2025.

Civil Fine

WAC 388-78A-2474 (2)(a)(b)(c)(d)(e)(4) Training and home care aide certification requirements. **\$700.00**

The licensee failed to ensure staff completed Orientation and Safety training for two staff, Basic training for three staff, Mental Health specialty training for five staff, Occupational Safety and Health Administration (OSHA) approved hands-on Cardiopulmonary resuscitation (CPR) and First Aid training for seven staff, 12 hours of annual continuing education (CE) for two staff, and a completed Home Care Aide (HCA) certification for four staff. These failures resulted in the ALF having no staff trained to provide CPR or First Aid in the event of an emergency, staff not having the necessary training related to their job duties and expectations and placed all 21 residents at risk of harm by being cared for by untrained staff.

NOTICE: State and federal law provide protections to defendants who are in military service, and to their dependents. Dependents of a service member are the service member's spouse, the service member's minor child, or and individual for whom the service member provided more than one-half of the individual's support for one hundred eight days immediately preceding an application for relief.

One protection provided is the protection against the entry of a default judgment in certain circumstances. This notice pertains only to a defendant who is a dependent of a member of the National Guard or a military reserve component under a call to active service, or a National Guard member under a call to service authorized by the governor of the state of Washington, for a period of more than thirty consecutive days. Other defendants in military service also have protections against default judgments not covered by this notice. If you are the dependent of a member of the national guard or a military reserve component under a call to active service, or a national guard member under a call to service authorized by the governor of the state of Washington, for a period of more than thirty consecutive days, you should notify the Department in writing of your status as such within twenty days of the receipt of this notice. If you fail to do so, then a court or an administrative tribunal may presume that you are not a dependent of an active duty member of the national guard or reserves, or a national guard member under a call to service authorized by the governor of the state of Washington, and proceed with the entry of an order of default and/or a default judgment without further proof of your status. Your response to the Department about your status does not constitute an appearance for jurisdictional purposes in any pending litigation nor a waiver of your rights.

If you have any questions, please contact Kim Ripley, Field Manager, at (206) 794-8568.

Sincerely,
