Licensee: Victoria Aid Opco LLC

IMPOSITION OF CIVIL FINES

Dear Administrator:

On April 22, 2025, the Department of Social and Health Services (DSHS), Residential Care Services completed a follow-up visit at your facility. This letter constitutes formal notice of civil fines on the license for your assisted living facility, also known as **Victoria Place**, located at **491 Discovery Rd, Port Townsend**, by the State of Washington, Department of Social and Health Services. These actions are taken under the authority granted pursuant to Laws of 1998, Chapter 272 and RCW 18.20.190.

The civil fines on the license are based on the following violation of the RCW and/or WAC as described in the attached Statement of Deficiencies (SOD) report dated April 22, 2025.

Civil Fines

<u>WAC 388-78A-2320 (2)(b)(3)(b)(c)(d)(e) Intermittent nursing services systems.</u>	<u>\$1,200.00</u>
---	--------------------------

The licensee failed to ensure nurse delegation was completed and documented for three residents. This failure resulted in residents receiving medication services from unqualified staff and placed delegated residents at risk for unmet medical care needs.

This is an uncorrected and recurring deficiency previously cited on February 21, 2025, and January 2, 2025.

WAC 388-78A-2474 (1)(2)(a)(b)(c)(d)(e)(4)(5)(6) Training and home care aide certification requirements.

\$600.00

The licensee failed to ensure one staff had dementia (a group of brain conditions that cause a decline in thinking, memory, and reasoning) specialty training certificate and had their home care aid certification as required. These failures resulted in residents being cared for by staff without required trainings and placed 25 residents at risk of harm in the event of an emergency due to staff not being trained on life saving measures, unaware of the facility's expectations, and risk of unmet care needs by untrained staff.

This is an uncorrected and recurring deficiency previously cited on February 21, 2025, and January 2, 2025, for subsection (1)(2)(a)(b)(c)(d)(4).

NOTE: These are the violations, which resulted in the fines; see the attached Statement of Deficiencies for any additional violations.

NOTICE: State and federal law provide protections to defendants who are in military service, and to their dependents. Dependents of a service member are the service member's spouse, the service member's minor child, or and individual for whom the service member provided more than one-half of the individual's support for one hundred eight days immediately preceding an application for relief.

One protection provided is the protection against the entry of a default judgment in certain circumstances. This notice pertains only to a defendant who is a dependent of a member of the National Guard or a military reserve component under a call to active service, or a National Guard member under a call to service authorized by the governor of the state of Washington, for a period of more than thirty consecutive days. Other defendants in military service also have protections against default judgments not covered by this notice. If you are the dependent of a member of the national guard or a military reserve component under a call to active service, or a national guard member under a call to service authorized by the governor of the state of Washington, for a period of more than thirty consecutive days, you should notify the Department in writing of your status as such within twenty days of the receipt of this notice. If you fail to do so, then a court or an administrative tribunal may presume that you are not a dependent of an active duty member of the national guard or reserves, or a national guard member under a call to service authorized by the governor of the state of Washington, and proceed with the entry of an order of default and/or a default judgment without further proof of your status. Your response to the Department about your status does not constitute an appearance for jurisdictional purposes in any pending litigation nor a waiver of your rights.
