(2) The assisted living facility must develop, implement and train staff persons on policies and procedures to address what staff persons must do:

(a) Related to suspected abandonment, abuse, neglect, exploitation, or financial exploitation of any resident;

This requirement was not met as evidenced by:

Based on interview, and record review, the facility failed to implement the facility policy to notify the Department's Complaint Resolution Unit hotline immediately when they became aware of a resident-to-resident altercation that occurred in the facility, for 1 of 1 incident reviewed. This failure placed Resident 1 (R1), Resident 2 (R2), and all other residents who experience similar incidents at the facility at risk for further harm due to the department's inability to investigate the incident.

Findings included...

Review of the facility policy titled, "Incident Reports," last reviewed 12/01/2023, it stated, "All incidents related to physical abuse, neglect, sexual assault, or exploitation are reported to the ombudsman, state licensing agency, and in the case of any assault to local law enforcement. Refer to the Abuse, Neglect, and Exploitation Policy."

Review of the facility policy titled, "Abuse, Neglect and Exploitation," last reviewed 12/01/2023, it stated, "Resident abuse, neglect, and exploitation are prohibited. Should any resident experience abuse (by staff, residents, family, or others) or when abuse is suspected, staff and volunteers are required to immediately provide notification to persons/agencies as described in this policy." Under the "Procedure" section, it stated, "Any community staff member or volunteer has observed, suspects, has knowledge of, or is told by a resident or other staff member, of an incident which appears to be any form of abuse, the incident will be immediately reported to the Resident Care Director, and Executive Director. In all cases the Executive Director will be informed as soon as possible... Staff will immediately make a report to the Department's Aging and Disability Administration Complaint Resolution Unit Hotline -- 1-800-562-6078, or online."
