These actions are taken under the authority granted pursuant to Laws of 1998, Chapter 272 and RCW 18.20.190.

The civil fines on the license are based on the following violation of the RCW and/or WAC as described in the attached Statement of Deficiencies (SOD) report dated May 5, 2025.

Civil Fines

WAC 388-78A-2270 (1) Resident controlled medications.

\$300.00

The licensee failed to ensure one staff who tested positive for Tuberculosis (TB), obtained and followed the recommendation of their health care provider. This failure placed all 68 residents at risk of contracting a contagious illness.

This is an uncorrected deficiency previously cited on March 10, 2025, for subsection (1) and (3).

NOTICE: State and federal law provide protections to defendants who are in military service, and to their dependents. Dependents of a service member are the service member's spouse, the service member's minor child, or and individual for whom the service member provided more than one-half of the individual's support for one hundred eight days immediately preceding an application for relief.

One protection provided is the protection against the entry of a default judgment in certain circumstances. This notice pertains only to a defendant who is a dependent of a member of the National Guard or a military reserve component under a call to active service, or a National Guard member under a call to service authorized by the governor of the state of Washington, for a period of more than thirty consecutive days. Other defendants in military service also have protections against default judgments not covered by this notice. If you are the dependent of a member of the national guard or a military reserve component under a call to active service, or a national guard member under a call to service authorized by the governor of the state of Washington, for a period of more than thirty consecutive days, you should notify the Department in writing of your status as such within twenty days of the receipt of this notice. If you fail to do so, then a court or an administrative tribunal may presume that you are not a dependent of an active duty member of the national guard or reserves, or a national guard member under a call to service authorized by the governor of the state of Washington, and proceed with the entry of an order of default and/or a default judgment without further proof of your status. Your response to the Department about your status does not constitute an appearance for jurisdictional purposes in any pending litigation nor a waiver of your rights.

If you have any questions, please contact Laurie Anderson, Field Manager, at (253) 234-6020.

Sincerely,

Matt Hauser
