IMPOSITION OF CIVIL FINES

Dear Administrator:

On October 4, 2024, the Department of Social and Health Services (DSHS), Residential Care Services completed follow-up visit at your facility. This letter constitutes formal notice of civil fines on the license for your assisted living facility, also known as **North Point Village, Assisted Living & Memory Care**, located at **1110 E Westview Ct, Spokane**, by the State of Washington, Department of Social and Health Services. These actions are taken under the authority granted pursuant to Laws of 1998, Chapter 272 and RCW 18.20.190.

The civil fines on the license are based on the following violation of the RCW and/or WAC as described in the attached Statement of Deficiencies (SOD) report dated October 4, 2024.

Civil Fines

WAC 388-78A-2160 Implementation of negotiated service agreement. **\$900.00**

The licensee failed to ensure care and services listed on the negotiated service agreements were implemented for one resident. This failure resulted in decreased showers for the resident and placed the resident at increased risk for compromised skin integrity and infections.

This is an uncorrected deficiency previously cited on June 14, 2024, and recurring deficiency previously cited on February 9, 2024.

WAC 388-78A-2930 (1)(c)(2)(a)(b) Communication system.

\$500.00

The licensee failed to ensure there was a consistently operational telephone available for communication between residents, family, and staff for 12 residents. This failure inhibited communication between residents, families, and staff, and placed all 12 residents at risk for psychosocial harm, delay in treatment, and decreased quality of life.

This is an uncorrected deficiency previously cited on June 14, 2024.

NOTE: These are the violations, which resulted in the fines; see the attached Statement of Deficiencies for any additional violations.

Attestation (Plan of Correction):

- The date you have or will have each deficiency corrected.
- A signature and date attesting that you are taking actions to correct and maintain correction for each cited deficiency.
