On October 27 2025, DSFM Harlan entered Brookdale Walla Walla located at 1460 Dalles Military Rd Walla Walla, WA 99362 to investigate complaint ref # 198441. I interviewed the Executive Director. The complaint is that a resident who is legally deaf will not be able to hear fire alarm when activated and would like a visual alarm.

The facility is equipped with a automatic fire alarm, sprinkler system and stand alone smoke detectors in sleeping areas that are audible and visual that are not attached to fire alarm system. The facility has audible alarm in all sleeping areas as well.

Under a R-4 occupancy the International Fire Code does not require visual alarm system in sleeping quarters.

I educated facility that they could add visual to room if they so choose and to follow the proper construction review process for modification of the fire alarm system.

No IFC violations observed.
