The Office of the State Fire Marshal conducted an annual fire and life safety inspection of Longhouse-Bothell Assisted Living & Memory Care.

Initial Inspection

During the inspection, we identified a number of violations.
We provided a copy of the inspection report to the facility.
The inspection report outlined each violation and items to correct prior to a reinspection, scheduled on or after July 29, 2023.

Required Reinspection

- Today we conducted a reinspection of Longhouse-Bothell Assisted Living & Memory Care.
- During the reinspection, one or more of the violations identified during the initial inspection remained uncorrected.

These two inspections found this facility failed to gain and maintain compliance as required by state law. These violations place the residents, staff, and visitors at risk.

Required Follow-Up

- The facility administrator shall submit a letter to Deputy State Fire Marshal Arthur Jesse Ward, 2803, 156TH, AVE, Bellevue, WA 98007 within 30 days. The letter shall explain, in detail, how the code violations were corrected and indicate the facility is ready for a final reinspection.
- Upon receipt of the letter, the Deputy State Fire Marshal will conduct a final reinspection.
- If the letter is not received by the time specified, we shall notify the Department of Social and Health Services (DSHS) Residential Care Services Division of the failure to correct violations. We will recommend enforcement action against the facility. Enforcement actions available to DSHS under RCW 18.20.190 include civil fines, stop placements, and license suspension or revocation.
- If the option chosen by DSHS is a license revocation, a new fire and life safety inspection will be required prior to recommending relicensure.

If you have any questions regarding this process, please contact Deputy State Fire Marshal Arthur Jesse Ward at (425) 401-7735.
