RE: Aegis Living Callahan House # 2589

Dear Administrator:

This document references Compliance Determination 55150 (03/03/2025), which included complaint number(s) 166528.

The Department completed a complaint investigation of your Assisted Living Facility on 03/03/2025 and found that your facility does not meet the Assisted Living Facility requirements.

The department staff who did the inspection and provided consultation:

Hayley Pinkham, ALF Licensor

Consultation:

WAC 388-78A-2610 Infection control.

(2) The assisted living facility must:

(f) Report communicable diseases in accordance with the requirements in chapter 246-100 WAC.

The Assisted Living Facility (ALF) failed to notify the Local Health Jurisdiction (LHJ) to report a gastrointestinal infectious outbreak. This failure placed the residents at risk for acquiring an infectious illness.

You Must:

- Begin the process of correcting the deficiency or deficiencies immediately; and
- Complete correction as soon as possible.

You Are Not:

- Required to submit a plan-of-correction for the deficiency or deficiencies found.

The Department May:

- Inspect the facility to determine if you have corrected all deficiencies.

You May:

- Contact me for clarification of the deficiency or deficiencies found.

In Addition, You May:

- Request an **Informal Dispute Resolution (IDR)** review within 10 working days after you receive this letter. Your IDR request **must** include:
 - o What specific deficiency or deficiencies you disagree with;
 - o Why you disagree with each deficiency; and
 - o Whether you want an IDR to occur in-person, by telephone or as a paper review.
 - o Send your request to:

Email: RCSIDR@dshs.wa.gov; or

Fax: (360) 725-3225

If You Have Any Questions:

- Please contact me at (253)312-1446.
