IMPOSITION OF CIVIL FINES

Dear Administrator:

On October 31, 2025, the Department of Social and Health Services (DSHS), Residential Care Services, completed a follow-up visit at your facility. This letter constitutes formal notice of civil fines on the license for your assisted living facility, also known as **Fields Senior Living at Smokey Point**, located at **3607 169th St NE, Arlington**, by the State of Washington, Department of Social and Health Services. These actions are taken under the authority granted pursuant to Laws of 1998, Chapter 272 and RCW 18.20.190.

The civil fines on the license are based on the following violation of the RCW and/or WAC as described in the attached Statement of Deficiencies (SOD) report dated October 31, 2025.

Civil Fines

WAC 388-78A-2484 (1) Tuberculosis—Two step skin testing. **\$300.00**

The licensee failed to ensure three staff members were screened for tuberculosis (TB) (a contagious infection that is spread through bacteria in the air and primarily affects the lungs) with an initial skin test done within three days of hire and/or a second test done one to three weeks after the first test. This failure placed the residents at risk for exposure to a communicable disease.

This is an uncorrected deficiency previously cited on August 27, 2025.

WAC 388-78A-2474 (2)(a)(d)(e)(3) Training and home care aide certification requirements. **\$500.00**

The licensee failed to ensure five staff members completed the required training requirements prior to providing care with residents. This failure resulted in one staff member not completing Orientation and Safety (ORSA), all five staff not completing Cardiopulmonary Resuscitation (CPR) and First Aid training and one staff member not completing facility orientation. This failure caused residents to receive care from staff that did not have the necessary training related to their job duties.

This is an uncorrected deficiency previously cited on August 27, 2025, for subsection (2)(a), (2)(d) and 3.

WAC 388-78A-24701 (1) Background checks—Employment—Nondisqualifying information. **\$200.00**

The licensee failed to ensure one staff member with reported criminal information on a Washington State name and date of birth background check had a character, competence and suitability (CCS) review completed. This failure resulted in the staff member not having a CCS review and caused residents to receive care by a staff member with a potentially disqualifying crime.

This is an uncorrected deficiency previously cited on August 27, 2025.

WAC 388-78A-2305 (1) Food sanitation. **\$300.00**

The licensee failed to ensure one facility dishwashing machine was functioning properly. This failure placed residents at risk of food borne illnesses.

This is an uncorrected deficiency previously cited on August 27, 2025.

WAC 388-78A-2305 (2) Food sanitation. **\$200.00**

The licensee failed to ensure two staff members had a current food worker card. This failure resulted in both staff members not having the proper training to handle food safely and placed the residents at risk for food borne illness.

This is an uncorrected deficiency previously cited on August 27, 2025.

\$200.00

The licensee failed to complete a national fingerprint background check for one staff member. This failure placed the residents at risk of receiving care from a staff person with a potentially disqualifying background.

This is an uncorrected deficiency previously cited on August 27, 2025, for subsection (2)(b).

NOTE: These are the violations, which resulted in the fines; see the attached Statement of Deficiencies for any additional violations.

NOTICE: State and federal law provide protections to defendants who are in military service, and to their dependents. Dependents of a service member are the service member's spouse, the service member's minor child, or and individual for whom the service member provided more than one-half of the individual's support for one hundred eight days immediately preceding an application for relief.

One protection provided is the protection against the entry of a default judgment in certain circumstances. This notice pertains only to a defendant who is a dependent of a member of the National Guard or a military reserve component under a call to active service, or a National Guard member under a call to service authorized by the governor of the state of Washington, for a period of more than thirty consecutive days. Other defendants in military service also have protections against default judgments not covered by this notice. If you are the dependent of a member of the national guard or a military reserve component under a call to active service, or a national guard member under a call to service authorized by the governor of the state of Washington, for a period of more than thirty consecutive days, you should notify the Department in writing of your status as such within twenty days of the receipt of this notice. If you fail to do so, then a court or an administrative tribunal may presume that you are not a dependent of an active duty member of the national guard or reserves, or a national guard member under a call to service authorized by the governor of the state of Washington, and proceed with the entry of an order of default and/or a default judgment without further proof of your status. Your response to the Department about your status does not constitute an appearance for jurisdictional purposes in any pending litigation nor a waiver of your rights.

If you have any questions, please contact Jim Sherman, Field Manager, at (253) 234-6020.

Sincerely,

Matt Hauser
