IMPOSITION OF CIVIL FINES

Dear Administrator:

On October 1, 2025, the Department of Social and Health Services (DSHS), Residential Care Services completed a follow-up visit at your facility. This letter constitutes formal notice of civil fines on the license for your assisted living facility, also known as **Wellspring Centralia LLC**, located at **1215 S Tower Ave, Centralia**, by the State of Washington, Department of Social and Health Services. These actions are taken under the authority granted pursuant to Laws of 1998, Chapter 272 and RCW 18.20.190.

The civil fines on the license are based on the following violation of the RCW and/or WAC as described in the attached Statement of Deficiencies (SOD) report dated October 1, 2025.

Civil Fines

WAC 388-78A-2160 Implementation of negotiated service agreement. **\$300.00**

The licensee failed to ensure that the resident's Service Agreement (facility's version of the negotiated service plan) was followed and implemented for one memory care resident. This failure placed the resident at risk for medical complications, decreased quality of life, and possible hospitalization.

This is an uncorrected deficiency previously cited on July 23, 2025.

WAC 388-78A-2665 (1)(2)(3)(4)(5)(6) Resident rights—Notice—Policy on accepting medicaid as a payment source. **\$200.00**

The licensee failed to ensure residents were provided a Medicaid Policy for two residents. This failure placed both residents and their responsible party at risk of making uninformed decisions about placement with consideration of potential changes in their financial circumstances.

This is an uncorrected deficiency previously cited on July 23, 2025.

WAC 388-78A-2100 (2)(b)(i) Ongoing assessments. **\$300.00**

The licensee failed to complete ongoing assessments focused on residents identified problems for two residents. This failure placed both residents at risk for unmet care needs by staff unaware of the most recent changes in care and service needs for the residents and at risk of injury or medical complications.

This is an uncorrected deficiency previously cited on July 23, 2025.

WAC 388-78A-2040 (1) Other requirements. **\$300.00**

The licensee failed to ensure the facility had a clinical laboratory improvement amendments (CLIA) waiver for one facility. This failure placed all residents at risks of improper laboratory testing.

This is an uncorrected deficiency previously cited on July 23, 2025.

WAC 388-78A-2210 (1)(b)(2)(b) Medication services. **\$400.00**

The licensee failed to ensure residents received medications as ordered for two residents. This failure resulted in both residents not receiving medications as ordered and contributed to both residents experiencing increased behaviors and agitation that disrupted their daily living needs and placed the staff and other residents at risk of injury or psychological harm.

This is an uncorrected deficiency previously cited on July 23, 2025, for subsection 388-78a-2210-1b.

NOTE: These are the violations, which resulted in the fines; see the attached Statement of Deficiencies for any additional violations.

NOTICE: State and federal law provide protections to defendants who are in military service, and to their dependents. Dependents of a service member are the service member's spouse, the service member's minor child, or and individual for whom the service member provided more than one-half of the individual's support for one hundred eight days immediately preceding an application for relief.

One protection provided is the protection against the entry of a default judgment in certain circumstances. This notice pertains only to a defendant who is a dependent of a member of the National Guard or a military reserve component under a call to active service, or a National Guard member under a call to service authorized by the governor of the state of Washington, for a period of more than thirty consecutive days. Other defendants in military service also have protections against default judgments not covered by this notice. If you are the dependent of a member of the national guard or a military reserve component under a call to active service, or a national guard member under a call to service authorized by the governor of the state of Washington, for a period of more than thirty consecutive days, you should notify the Department in writing of your status as such within twenty days of the receipt of this notice. If you fail to do so, then a court or an administrative tribunal may presume that you are not a dependent of an active duty member of the national guard or reserves, or a national guard member under a call to service authorized by the governor of the state of Washington, and proceed with the entry of an order of default and/or a default judgment without further proof of your status. Your response to the Department about your status does not constitute an appearance for jurisdictional purposes in any pending litigation nor a waiver of your rights.

If you have any questions, please contact Clinton Fridley, Field Manager, at (360) 450-1218.

Sincerely,

Matt Hauser
