Licensee: Greenlake Senior Services LLC

IMPOSITION OF CIVIL FINES

Dear Administrator:

On June 5, 2025, the Department of Social and Health Services (DSHS), Residential Care Services completed a Full Inspection at your facility. This letter constitutes formal notice of civil fines on the license for your assisted living facility, also known as **Greenlake Emerald City**, located at **9001 Lake City Way NE, Seattle**, by the State of Washington, Department of Social and Health Services. These actions are taken under the authority granted pursuant to Laws of 1998, Chapter 272 and RCW 18.20.190.

The civil fines on the license are based on the following violation of the RCW and/or WAC as described in the attached Statement of Deficiencies (SOD) report dated June 5, 2025.

Civil Fines

WAC 388-78A-2210 (1)(b)(2)(a) Medication services.

\$600.00

The licensee failed to ensure safe medication systems were implemented when medications were not administered in a timely manner and as prescribed by the physician for one resident, a narcotic log was without narcotic count verification signatures, and medications were administered without the necessary identifications for safe medication administration, and four residents did not get their medications as prescribed. These failures resulted in four residents not receiving medications as prescribed, placed residents' narcotic medications at risk of error, and placed all residents receiving medication management or administration at risk for medication errors.

This is a recurring deficiency previously cited on February 21, 2025, and August 9, 2024.

WAC 388-78A-2240 Nonavailability of medications.

\$1,000.00

The licensee failed to ensure medications were available for six residents. This failure resulted in the six residents not receiving medications as prescribed and placed them at risk for medical complications.

This is a recurring deficiency previously cited on September 24, 2024, and November 26, 2024.

NOTE: These are the violations, which resulted in the fines; see the attached Statement of Deficiencies for any additional violations.

NOTICE: State and federal law provide protections to defendants who are in military service, and to their dependents. Dependents of a service member are the service member's spouse, the service member's minor child, or and individual for whom the service member provided more than one-half of the individual's support for one hundred eight days immediately preceding an application for relief.

One protection provided is the protection against the entry of a default judgment in certain circumstances. This notice pertains only to a defendant who is a dependent of a member of the National Guard or a military reserve component under a call to active service, or a National Guard member under a call to service authorized by the governor of the state of Washington, for a period of more than thirty consecutive days. Other defendants in military service also have protections against default judgments not covered by this notice. If you are the dependent of a member of the national guard or a military reserve component under a call to active service, or a national guard member under a call to service authorized by the governor of the state of Washington, for a period of more than thirty consecutive days, you should notify the Department in writing of your status as such within twenty days of the receipt of this notice. If you fail to do so, then a court or an administrative tribunal may presume that you are not a dependent of an active duty member of the national guard or reserves, or a national guard member under a call to service authorized by the governor of the state of Washington, and proceed with the entry of an order of default and/or a default judgment without further proof of your status. Your response to the Department about your status does not constitute an appearance for jurisdictional purposes in any pending litigation nor a waiver of your rights.

If you have any questions, please contact Jamie Singer, Field Manager, at (253) 312-1446.

Sincerely,

Matt Hauser
