LPN B stated s/he was the only 1 currently on call because Registered Nurse (RN) F was no longer an employee. Surveyor inquired if there were concerns with RN F's follow through. LPN B stated Resident 2's family was not happy with RN F and they were reporting him/her to the state.</p> <p>At approximately 12:30 PM, Surveyor asked LPN B if there were concerns that RN F was not performing his/her duties. LPN B stated that s/he did hear from Resident 2's family that the morphine medication dose was to be changed but s/he thought the facility had not received orders.</p> <p>On 10/07/2025, Surveyor reviewed Resident 2's record:</p> <p>Resident 2 was admitted 02/05/2025 and was enrolled in hospice in June 2025. MCN C stated Resident 1 had a complex medical history concerning bowels, urinary tract, and surgical intervention of the bowel. MCN C stated Resident 1 suffered from frequent UTIs (urinary tract infections). MCN C stated Resident 1 relied on staff for all toileting needs. MCN C stated s/he and the Managed Care Case Manager (MCCM) D had increased pop in visits following the September 2025 meeting to ensure hourly safety checks, 2-hour toileting, and bowel movement tracking were being completed and documented. MCN C stated on 10/01/2025, s/he spoke with POA E who stated s/he was disappointed because the provider did not follow up with him/her with the concerns discussed during the 09/09/2025 care meeting.</p> <p>On 10/07/2025 from 1:58 PM to 3:00 PM, Surveyor interviewed Licensed Practical Nurse</p> | N 388                                                                      |                                                                                                                          |                          |                                                                |

Surveyor observed that the stairwell's light was not on.</p> <p>At approximately 1:00 PM, Surveyor reviewed the provider's exit map posted throughout the facility. The map indicated the blocked exit was a designated emergency exit.</p> <p>At approximately 1:20 PM, Surveyor shared findings with Administrator A who stated the owner had not decided how to proceed. Administrator A stated s/he realized the emergency plans were not updated.</p> <p>On 10/07/2025 at approximately 1:58 PM, Surveyor interviewed Licensed Practical Nurse (LPN) B who stated the wheelchairs and walkers stored by the exit door belonged to the residents that lived in that hallway. LPN B stated s/he thought the owner planned on putting a door there.</p> <p>The provider did not ensure that a stairway to an outside exit was unobstructed.</p> | {N 636}                                                                               |                                                                                                                          |                                                                |
