| N 156                                                                   | <p>Continued From page 1</p> <p>resident.</p> <p>On 05/19/2026 at 6:00 a.m., Surveyor reviewed an emergency medical services (EMS) report, obtained by Surveyor. The report, dated 04/14/2026, documented that EMS responded to the provider's facility for Resident 2, who had reportedly choked on grilled cheese. The report documented that EMS personnel suctioned to create an opening for intubation, provided compressions and transferred Resident 2 to the hospital with the primary impression listed as asphyxia and hypoxemia.</p> <p>On 05/19/2026 at 8:02 a.m., Surveyor interviewed Resident 1. Resident 1 stated s/he was in the dining room when Resident 2 began choking. Resident 1 stated s/he witnessed EMS personnel suction food from Resident 2 upon arrival.</p> <p>On 05/19/2026 at approximately 3:00 p.m., Surveyor reviewed Resident 2's record. Resident 2 was admitted to the provider's facility on 02/12/2025 with diagnosis of developmental disability and legal blindness. Resident 2's progress notes, dated 04/14/2026, documented that Resident 2 choked during mealtime, was transferred to the hospital via EMS, and per hospital nurse report, was having food cleared from his/her lungs while intubated and ventilated. A progress note, dated 04/15/2026, documented Resident 2 as deceased.</p> <p>On 05/20/2026 at 1:30 p.m., Surveyor interviewed Administrator G. Administrator G stated s/he was aware of the 04/14/2026 incident but was not physically at the building due to training s/he was at on 04/14/2026 through 04/16/2026. Administrator G stated s/he did not complete a self-report to the department following Resident</p> | N 156                                                                                        |                                                                                                                          |                                                                    |

| N 214                                                                   | <p>Continued From page 3</p> <p>identified Administrator J as the administrator of the facility.</p> <p>On 05/19/2026 at approximately 7:50 a.m., Surveyor interviewed Caregiver I. Caregiver I stated management was not frequently at the facility. Caregiver I stated reordering medications, getting new prescriptions and arranging transportation for appointments often fell to caregivers. Caregiver I stated Administrator G was the facility's new administrator but rarely at the facility because s/he had to be at an affiliated facility. Caregiver I wasn't sure who Administrator J was.</p> <p>On 05/19/2026 at 8:45 a.m., Surveyor interviewed Caregiver H. Caregiver H stated administration had been at the facility approximately 2 times per week, but after a situation at an affiliated facility administration had been present much less. Caregiver H stated s/he hadn't seen administration "in a minute."</p> <p>On 05/19/2026 at approximately 9:05 a.m., RN B arrived from an affiliated facility to assist Surveyor with the survey process. Administrator A, who was also from an affiliated facility, arrived shortly after and worked with Surveyor through the survey process.</p> <p>On 05/19/2026 at approximately 1:00 p.m., Surveyor reviewed concern with Administrator A and RN B that the facility did not appear to have administrative oversight daily. Administrator A acknowledged Surveyor's concern and confirmed Administrator G had been spending much of his/her time at an affiliated facility. Administrator A and RN B stated they identified areas that needed attention within facility operations and would be addressing the concerns.</p> | N 214                                                                                        |                                                                                                                          |                                                                    |

| N 353                                                                   | <p>Continued From page 7</p> <p>Findings include:</p> <p>From 05/19/2026 to 05/20/2026, Surveyor conducted 2 complaint investigations alleging the provider did not provide prompt care to a resident.</p> <p>On 05/19/2026 at 6:00 a.m., Surveyor reviewed an emergency medical services (EMS) report, obtained by Surveyor. The report, dated 04/14/2026, documented the following:</p> <ul style="list-style-type: none"> <li>- Primary Impression: Asphyxia and hypoxemia</li> <li>- EMS was dispatched to the facility for Resident 2 who was choking on grilled cheese.</li> <li>- On arrival, Resident 2 was lying on the floor, unresponsive with compressions being performed by law enforcement.</li> <li>- Staff reported Resident 2 was eating grilled cheese when s/he began coughing and became unresponsive. Staff reported they moved him/her to the floor and began CPR.</li> <li>- Crews worked to identify the blockage within Resident 2's airway, suctioning to create an opening for intubation. Compressions continued; once an advanced airway was placed, Resident 2 was moved to a compression device and transferred to the hospital.</li> </ul> <p>On 05/19/2026 at 8:02 a.m., Surveyor interviewed Resident 1. Resident 1 stated s/he was in the dining room when Resident 2 began choking. Resident 1 stated when Resident 2 began choking staff responded by rubbing and patting Resident 2's back. Resident 1 stated caregivers reported they could not do the Heimlich maneuver on residents but moved Resident 2 to the ground once s/he stopped responding and started doing compressions. Resident 1 stated s/he witnessed emergency medical technicians</p> | N 353                                                                                  |                                                                                                                          |                                                                    |

| N 353                                                                   | <p>Continued From page 8</p> <p>suction food from Resident 2 upon arrival.</p> <p>On 05/19/2026 at 8:45 a.m., Surveyor interviewed Caregiver H and asked what s/he would do in the event a resident was choking. Caregiver H stated s/he would immediately call 911, but that s/he had been told caregivers could not do the Heimlich maneuver. Caregiver H stated since Resident 2's choking incident the facility had obtained a Lifevac suction machine but had not received training.</p> <p>On 05/19/2026 at 8:55 a.m., Surveyor interviewed Caregiver I and asked what s/he would do in the event a resident was choking. Caregiver I stated s/he would attempt to scoop food from the resident's mouth and call 911. Caregiver I stated s/he thought caregivers could do Heimlich maneuver if needed.</p> <p>On 05/19/2026 at approximately 3:00 p.m., Surveyor reviewed Resident 2's record. Resident 2 was admitted to the provider's facility on 02/12/2025 with diagnosis of developmental disability and legal blindness. Resident 2's progress notes included the following:</p> <ul style="list-style-type: none"> <li>- 04/14/2026: Received call form team lead at 5:34 p.m. Resident choked during mealtime in dining area. EMS contacted at 5:30 p.m., arrived and administered CPR at 5:34 p.m. Resident transferred to hospital. Power of Attorney notified at 6:02. Message left for case manager and physician.</li> <li>- 04/14/2026: Spoke to emergency room nurse at 6:27 p.m. Resident has a pulse. Still clearing food from lungs. Currently intubated and on ventilation. May transfer to another hospital for bronchoscopy.</li> <li>- 04/15/2026: Documented as deceased at 3:30</li> </ul> | N 353                                                                                        |                                                                                                                          |                                                                    |

Caregiver F stated Resident 4 had been to the emergency room "a million times" and caregivers were unsure what to do for the legs.</p> <p>On 05/19/2026 at approximately 12:00 p.m., Surveyor reviewed Resident 4's record. Resident 4 was admitted to the provider's facility with Alzheimer's disease. Resident 4's record included the following documentation related to skin integrity:</p> <ul style="list-style-type: none"> <li>- 03/06/2026: Skin assessment - No concerns.</li> <li>- 03/28/2026: Progress Notes - Red, swollen, hot to touch lower extremities.</li> <li>- 03/28/2026: After Visit Summary - Prescribed Cephalexin x 7 days, compression socks and encouraged to elevate legs.</li> <li>- 05/01/2026: Skin assessment - No concerns.</li> <li>- 05/08/2026: Skin assessment - Bilateral lower extremities are red, inflamed and have open areas. Nurse and Power of Attorney notified.</li> <li>- 05/13/2026: Contacted physician regarding lower extremities.</li> </ul> <p>Resident 4's Medication Administration Record (MAR), dated 05/01/2026 to 05/14/2026, documented caregivers were applying Aquaphor ointment to Resident 4's bilateral lower extremities for dryness and Hydrocortisone 2.5% ointment to Resident 4's left calf for dermatitis every morning.</p> <p>On 05/19/2026 at approximately 1:00 p.m., Surveyor interviewed Administrator A and RN B regarding Resident 4's lower extremities. Surveyor shared caregiver's frustration with the care of Resident 4's lower extremities and observation that concerns were noted on 03/28/2026 with no documented follow up and</p> | N 431                                                                                        |                                                                                                                          |                                                                    |
