N 277	Continued From page 1 Personal Care Assistant (PCA) J's employee record for compliance with continuing education training. PCA J was hired September 2022. PCA J's record only contained evidence of 1.5 hours of continuing education training for 2023 and 1.5 hours of continuing education training for 2024. The training did not contain evidence of training in the topics of standard precautions; resident rights; fire safety including first aid; prevention and reporting of abuse, neglect and misappropriation; and medications. On 06/04/2025 at 3:30 PM, Surveyor interviewed Executive Director F who confirmed PCA J did not complete 15 hours of continuing education training in 2023 or 2024. S/he stated, "Staff are assigned training every year, so I am not sure why it wasn't done."	N 277
