RDO A stated pharmacy sent number of doses for each titration for Resident 2 to wean off the Sertraline. RDO A stated s/he did not believe there were additional doses available for staff to administer. RDO stated s/he believed Resident 1 only received the dose ordered, and staff charted inaccurately.</p> <p>The provider did not ensure documentation of the resident's medications administered.</p> | N 415                                                                                        |                                                                                                                          |                                                                    |
