IMPORTANT NOTICE – PLEASE READ CAREFULLY

Dear Ms. King:

On August 17, 2017, the Wyoming Department of Health, Healthcare Licensing and Surveys conducted a second revisit to the April 28, 2017 Health Survey. They verified that Sage View Care Center had achieved and maintained substantial compliance as of July 7, 2017. We concur with the recommendation of the Wyoming Department of Health, Healthcare Licensing and Surveys to continue the facility's participation in the Medicare and/or Medicaid program as a skilled nursing facility/nursing facility.

Therefore, the Mandatory Three Month Denial of Payment for New Admissions [§488.417(b)(1)], which was to be effective July 28, 2017, has been RESCINDED.

Given that the Denial of Payment for New Admissions did not go into effect, the facility's denial or withdrawal of approval of NATCEP/NACEP will *NOT* occur.

No further action will be taken to terminate the provider agreement based on the determination that the facility is in substantial compliance.

If you have any questions, please contact me at (303) 844-7048.

Sincerely,

Dianna D
