S2900	Continued From page 1 Based on staff interview, the facility failed to ensure there was a full-time administrator. The census was 23. The findings were: Interview with the administrator on 1/10/18 at 9:40 AM revealed since July 2017 she had been acting as the CEO, administrator, and DON. During that time, she was also the DON for the hospital. A new CEO was hired and started on 1/8/18. The facility was "looking" at hiring an assistant for the administrator and the newly hired CEO was going to get his administrator's license; however, neither had occurred at that time.	S2900	DON is no longer acting as the CEO effective as of January 1, 2018. Interim Administrator will obtain nursing Home Administrators License by end of March 2018. Facility will hire DON who will be an RN by the end of March 2018. Board of Directors/CEO will ensure facility is staffed per regulations with any concerns being reported to QA/QI committee.
